Product Details

Benefits

Peace of mind with FamilySafe Trivets

FamilySafe trivets ensure peace of mind while cooking. Designed to cover the large flat surface area and enhance pot stability, you'll enjoy added safety for you and your family.

High-powered wok burner

Whip up tasty stir-fries and more with our high-powered wok burner. You'll get the high heat you need with 14mj of power at its highest setting.

Easy ignite

For busy kitchens the Easy Ignite under knob ignition is quick, simple and safe to use.

FamilySafe Flame Failure Device

Created with your safety in mind, the flame failure safety device will immediately shut off the gas supply if the flame on the cooktop is unexpectedly extinguished. So you can always cook without worry.
